

So, honey, you're  
back?  
Do you need  
it again?

I've dreamt about you.  
Do you have your  
sweet card with you?

Don't wait!!  
Insert it into me, but  
VERY slowly!

VERY GOOD!  
Now put it completely  
inside me ....  
Ah..aaaaahhh!

Oh YES!  
Now I need your  
secret number.  
Give it to me! Yes,  
yes ..... perfect.

It feels so GOOD to  
have your card so DEEP  
inside.  
So good.

And now type what you  
want from me. Don't be  
modest. Come on!

Oh God! Confirm it ... press  
on the right. Do it!  
Unghhh!

Oh, you're SO good!  
I can't keep it in...

It's coming! It's COMING  
now!  
Aaaaaahhhhh!

Oooohh, I'm done.  
Take it out ... slowly ...  
Mmmmmm!

Tell me ... what's so interesting about this  
fucking ATM that you have to draw cash  
every day?

So, honey, you're  
back again?
